

Car Seat Safety Awareness Class

San Juan County

Did you know that an estimated 8 out of 10 car seats are installed incorrectly?

Join us for a comprehensive look at car seat safety.

Receive basic instruction and awareness about car seats, information about WA state law, best practice and answers to frequently asked questions.

Intended audience includes:

Public Health, DSHS transporters, foster parents, WIC, parents, caregivers, grandparents, social work, CPS, daycare, preschool, medical professionals, teachers, & other child transporters.

Also includes EMS, fire, police, nurses, pediatricians, and more...
